## MAKES OLD PEOPLE STRONG AND WELL

We want to get the news to all old people about Rexall Olive Oil Emulsion, a remarkable new food-medicine which we firmly believe is the best remedy ever made to overcome the weakening, debilitating effects of increasing old age. It helps to rebuild wasted tissues, strengthen the nerves, and give new energy and a lively feeling to the body.

It contains no alcohol or dangerous drug. It may not make you feel better for a few days, but if you do not feel much better and stronger before you have taken a quarter as much as you have of other medicines that have not helped you, we will gladly give back your money.

Rexall Olive Oil Emulsion contains pure Olive Oil and the Hypophosphites which, though they have long been endorsed by successful physicians, are here for the first time combined. The result is a real body, nerve and blood-building food-medicine that we believe is superior to anything else in overcoming debility, weakness and liability to disease, and to tone and strengthen the nerves and enrich the blood. You who are weak and run-down—you who are often troubled by various cold weather ailments, use Rexall Olive Oil Emulsion to get and keep well and strong. It is a sensible, pleasant-tasting aid to renewed strength, better spirits, glowing health. If it doesn't help you, come and tell us and we will give back your money without a word. That is how much faith we have in it. Sold only at the 7,000 Rexall Stores, and in this town only by us. \$1.00.—Chenoweth Drug Company, Corner Second and Sutton streets, Maysville, Ky.

## Farmers

Have you ever tried our way of borrowing money to pay for a farm?

You, of course, know that most farms are sold for one-third cash and the balance of the payment is represented by lien notes due in one and two years. You also know that there are times when it is impossible to pay these notes when they become due.

Our specialty is lending money on good farms for LONG PERIODS. Wouldn't you rather have five years to pay the balance than two years? Any one expecting to buy farms this March will do well to come in and consult us about getting the money.

We have been giving satisfactory service for 24 years.

## ELECTRIC SIGNS!

The distinguishing air of quality which a first-class Electric Sign gives to a store is the element which gives a sign its greatest value as an advertising medium and investment. The impression it makes is good. It blazes forth to the public that there is business enterprise, merchandise and methods up-to-date. It affects the entire atmosphere of the business district. The stranger says, "It is a live town," and publishes it abroad.

It is the Sign of the Times.
